

ENTERHEALTH OUTPATIENT

CENTER OF EXCELLENCE

Enterhealth Outpatient Continuing Care

The Enterhealth Outpatient Center of Excellence specializes in alcohol, drug addiction and behavioral health assessments, diagnostics and therapeutic services. Services include state-of-the-art comprehensive diagnostic evaluations, intensive and supportive outpatient programs, individual therapy, family therapy, small group therapy, medication management, psychological and career testing.

At Enterhealth, our mission is to help individuals understand the biological, social, spiritual and emotional elements of recovery and develop tools and techniques that will help them achieve long-term sobriety.
